

**GlobalMUNers Conference
in New York City
#GMNYC2024**

Conferencia de GlobalMUNers en la Ciudad Nueva York 2024

IMPORTANT ANNOUNCEMENT

The Plenary Meeting (presentation of the Reports on the work of the Committees, reading of the Resolutions adopted, and Explanations of Votes) as well as the GMNYC2024 Awards and Closing Ceremony, scheduled to be held on Thursday, April 4th, will be free of cost and open to the general public.

In the given case that a person who is not registered in GMNYC2024 would like to attend as an OBSERVER, they must request their registration at clausura.gmnyc@globalmuners.org, no later than Friday, March 8th, 2024.

The conference room assigned within the United Nations Headquarters will be announced once we received the approval of the United Nations and its availability is confirmed. In observance to the established practices, meetings of the United Nations General Assembly and other intergovernmental bodies take precedence over meetings and events of a different nature. GlobalMUNers will seek for an alternative venue should the United Nations General Assembly or other intergovernmental bodies decide to meet at a conference room previously designated for GMNYC2024.
