## **GlobalMUNers Conference in New York City 2024**

# **IMPORTANT ANNOUNCEMENT**

The Plenary Meeting (committee reports presentation, Draft Resolutions reading, and votes explanation) and the GMNYC2025 Closing and Awards Ceremony, scheduled to take place on Thursday, April 17, will be free events and open to all the public.

If a person is not registered in GMNYC2025 and wants to attend as an OBSERVER, they must request their registration at [clausura.gmnyc@globalmuners.org](mailto:clausura.gmnyc@globalmuners.org), no later than Friday, March 14, 2025.

The conference room within the United Nations headquarters, will be informed once its availability is confirmed. Following established practices, meetings of the General Assembly and other intergovernmental bodies take precedence over other events. If the General Assembly or some other intergovernmental body requires to meet in the designated conference room, GlobalMUNers will look for an alternate venue.
